Serving Safe Standards

Success in the HORECA industry hinges on more than just delicious food or great service. A spotless environment, where both staff and guests feel confident in cleanliness, is crucial for creating a memorable dining experience. Kleen-Rite understands this, and that's why we offer a comprehensive range of cleaning solutions designed to empower your restaurant's hygiene journey from start to finish – a journey we call SAFE.

S

Surface Preparation:

Lay the groundwork for a safe dining experience with wipes and sprays designed for various cleaning tasks.

A

Aftercare:

Maintain a clean environment beyond service hours with degreasers, disinfecting wipes, and polishes.

F

Food Hygiene:

Prioritize food safety during operations with wipes and sprays for utensil sanitation and hand hygiene.

E

Enhancements:

Accessorize your kitchen space with tools that can enhance the usage of our wipes.

Surface Preparation

Our products focus on creating a clean and sanitary environment for food preparation and customer interaction.

Food Hygiene

Maintaining food safety and hygiene is paramount throughout customers' dining experience. Our products ensure restaurants are equipped with the hygiene essentials that their customers need as they go about their operations throughout the day.

Aftercare to preserve a pristine condition

Aftercare products focus on deep cleaning floors, surfaces, and equipment after service hours to ensure the kitchen and dining environment are spotless and ready for the next day.
