

# CHAMPS

BORN IN SINGAPORE

**GENTLE ON YOUR LITTLE ONES,  
GENTLE ON THE ENVIRONMENT**

At Champs, we prioritize the hygiene care and pampering of your little ones. We have meticulously formulated each of our products to be free from harsh chemicals, ensuring the gentlest care for your baby's delicate skin and overall well-being.

Our commitment to sustainability extends to our packaging, with bottles made from recycled plastics. With Champs, you can trust that your little ones are receiving the best care while also contributing to a healthier planet.

## Champs Baby Bath & Wash

Champs Baby Bath & Wash is a thoughtful solution tailored to your baby's delicate needs. Crafted with natural cotton milk extract, this lush, creamy formula provides a gentle, moisturising, and nourishing cleanse, promoting pH-balanced skin and healthier hair.

Our tear-free, soap-free formula is not only hypoallergenic and ophthalmologist-tested but also completely free of sulphates, parabens, and phthalates. We prioritize the well-being of your baby from head to toes, and rest assured, it's gentle on their precious skin.

## Champs Baby Bottle Cleanser

Champs Baby Bottle Cleanser is a plant-based disinfectant, composed of 100% Food Grade ingredients. It effectively removes stubborn residues and cleans not just bottles, but also nipples, toys, accessories, and even fruits and vegetables.

With its potent antibacterial properties, it ensures a thorough 99.9% bacteria elimination, all while being gentle on the skin, providing a high standard of cleanliness for your baby. It also proves highly effective in eliminating bacteria, milk stains, and odors from pacifiers, toys, and infant accessories. Additionally, it is suitable for washing fruits and vegetables.

## Champs Nursery Disinfectant Spray

Champs Nursery Disinfectant Spray is the ideal plant-based disinfectant, designed to eliminate 99.9% of bacteria on surfaces that come into contact with food and high-touch areas like toys, chairs, and baby cots. It's tough on bacteria while remaining gentle on surfaces where babies may interact, leaving no irritating chemical residues post-cleaning. Our formula is entirely free from chlorine, bleach, and harsh chemicals such as MIT (Methylisothiazolinone), parabens, SLS (Sodium Lauryl Sulfate), and phthalates.
