

Nursery Disinfectant Spray

Nursery Disinfectant Spray is the ideal plant-based disinfectant, designed to eliminate 99.9% of bacteria on surfaces that come into contact with food and high-touch areas like toys, chairs, and baby cots. It's tough on bacteria while remaining gentle on surfaces where babies may interact, leaving no irritating chemical residues post-cleaning.

Our formula is entirely free from chlorine, bleach, and harsh chemicals such as MIT (Methylisothiazolinone), parabens, SLS (Sodium Lauryl Sulfate), and phthalates.
